

# **PICOS TOUR & XXXVIII PISTON RALLY**

## **From 21st to 28th of September de 2025**

This year, we have changed the **ENTRY RULES** for the Picos Tour & Piston Rally. Please make sure you **READ ALL THE INFORMATION** before filling in the registration form.

- As always, the event is divided into two parts. The first part is the Picos Tour, which will take place from Sunday 21st to Wednesday 24th September and the second part is the Piston Rally, from Thursday 25th to Sunday 28th September.
- For those people who want to participate in Picos Tour, we will have rooms available in the Balneario de la Hermida and in several hotels in the area of Potes. As on previous occasions, the stay can be for 2 or 3 nights and the hotels will be allocated in order of registration (except in the Balneario). Please note that this year **PICOS TOUR WILL NOT ACCEPT PARTICIPANTS WHO DO NOT BOOK ACCOMMODATION THROUGH MOTOCLUB PISTON.**
- For the second part, the Piston Rally, the Moto Club Piston will have the Hotel Santemar in Santander at its disposal. If you wish to book accommodation on your own for this part, you must indicate on the registration form the days you are going to participate in the routes.
- In the last edition, some of the registered participants cancelled at the last minute and did not pay the cancellation fees charged by the hotel, which had to be paid by the motoclub. For this reason, it has been decided that this year the **registration will not be final until at least 50%** of the total amount has been paid.

If the booking is cancelled 7 days in advance, a full refund will be made.

**Cancellations less than 7 days in advance will incur a charge** to cover the costs charged by the hotel. If the booking is cancelled, you must send us the IBAN of the bank account in order to make the refund.

- Since Brexit, some amounts transferred from the UK arrive with €20 less. If this happens, we will inform the sender of the transfer and the €20 will be paid in Santander at the start of the event.
- If you are over 80 years old, you can come with more modern bikes, according to your riding possibilities.
